The SHOPRIDER™ **COUGAR** power tilt has all the features that come standard on the **Cougar** range of powerchair. The power tilt model features a tilting seat function which is easily operated via the joy stick controller, giving the operator a maximum recline of 45 degrees for greater user comfort. This impressive powerchair will provide smooth operation with its mid wheel drive and powerful motors. It's ideal for both inside and outside use on even ground and can travel long distances between charges.
