## SHOPRIDER<sup>®</sup> mobility COUGAR

www.shoprider.com.au

The SHOPRIDER™ **COUGAR** power lift has all the features that come standard on the **Cougar** range of powerchair. The power lift model features an electric seat lift function which is easily operated via the joy stick controller. this lifting feature enables the operator to set the seat at a height that will suit there needs. This impressive powerchair will provide smooth operation with its mid wheel drive and powerful motors. It's ideal for both inside and outside use on even ground and can travel long distances between charges.
